Media Advisory

The Kentucky Agricultural Development Board, chaired by Governor Paul Patton, will meet on Friday, February 16, 2001 at 10:00AM EST at the University of Kentucky, College of Agriculture. The meeting will be held in the Weldon Suite of the E.S. Good Barn building. The building is located on the corner of Farm Road and University Drive on the Lexington campus.

The meeting will include presentation of the proposed ethics and county council review policy, an overview of February project proposals, a report from the county plan review and project review committees, and consideration of a model program for cattle genetic improvement in the Commonwealth.
